ARTICLE 1 PREAMBLE

1.1 Statement of Principles

1.1.1 The Ontario College of Art & Design University (“OCAD U” or “the University”) and the Ontario College of Art & Design Faculty Association (“OCADFA”), (collectively “the Parties”), enter into this Memorandum of Agreement (“this Agreement”) in the belief that its implementation will enable OCAD U to continue providing outstanding professional education for aspiring artists, designers and educators, now and in the future, while:

1.1.1.1 Meeting the needs of students;

1.1.1.2 Respecting the academic and personal rights of faculty and academic staff;

1.1.1.3 Maintaining OCAD U’s integrity as a highly respected, studio-based art and design university where, from exemplary educators, practitioners and academics, students learn creative production, critique, inquiry, discovery, analysis, and research;
and

1.1.1.4 Ensuring OCAD U’s long-term administrative and financial health.

1.1.2 The Parties are committed to hiring and retaining faculty and academic staff whose professional qualifications and ongoing endeavours enable

OCAD U to fulfill its educational mandate consistent with the provisions of the *Ontario College of Art & Design Act*.

1.1.3 The Parties are committed to encouraging and assisting in the Professional Development of faculty and academic staff, and recognizing their achievements.

1.1.4 The Parties are committed to the provision of safe and appropriate working conditions for faculty and academic staff, including access to office and studio space and equipment, where relevant, within the framework of available financial and physical resources.

ARTICLE 2 RECOGNITION AND EXCLUSIONS

2.1 Recognition

2.1.1 OCAD U recognizes OCADFA as the sole and exclusive bargaining agent for all OCAD U faculty and academic staff.

2.1.2 OCAD U shall not enter into any agreement or terms and conditions of employment with individual faculty or academic staff, which are contrary to the provisions of this Agreement.

2.1.3 "Faculty" are those who teach within the OCAD U credit curriculum, Maximum-Load or Partial-Load, and who have one of the following appointments:

- 2.1.3.1 Sessional;
- 2.1.3.2 Teaching-Intensive Stream;
- 2.1.3.3 Contractually Limited Term Appointment (CLTA);
- 2.1.3.4 Continuing;
- 2.1.3.5 Probationary; or
- 2.1.3.6 Tenured.

2.1.4 “Academic Staff” include those who directly facilitate student learning within the OCAD U credit curriculum, specifically:

- 2.1.4.1 Technicians;
- 2.1.4.2 Academic Counsellors; and
- 2.1.4.3 Teaching Assistants.

2.2 Exclusions

2.2.1 The Parties agree that the following OCAD U employee groups are excluded from membership in OCADFA:

- 2.2.1.1 Administrative Managers;
- 2.2.1.2 Academic Managers (while serving in this capacity);
- 2.2.1.3 Non-Credit Instructors;
- 2.2.1.4 Employees in the bargaining unit represented by the Ontario Public Service Employees Union (“OPSEU”) Unit 1 (support staff);
- 2.2.1.5 Exempt Staff (support staff positions which are equivalent to

OPSEU Unit 1, but exempt on the basis of confidentiality); and

2.2.1.6 Employees in the bargaining unit represented by OPSEU Unit 2 (class assistants, models and student monitors).

2.2.2 Academic Managers

2.2.2.1 “Academic Managers” include the Deans of Faculty, Associate Deans and the Vice-President, Academic, who are part of OCAD U Management and, during the course of their managerial tenure, are not represented by OCADFA.

2.2.2.3 Faculty and, where appropriate, other academic staff, are represented on hiring and performance assessment committees for Deans of Faculty, Associate Deans and the Vice-President, Academic. The Committee shall be comprised of not less than 33% faculty.

2.2.2.4 The hiring process for Academic Managers considers qualifications for both teaching and administrative duties.

ARTICLE 3 MEMBERSHIP IN OCADFA

3.1 Preamble

3.1.1 While membership in OCADFA shall not be a condition of employment, the

Parties acknowledge that the negotiation and ongoing administration of this Agreement entails expenses which should be appropriately shared, through the payment of dues, by all faculty and academic staff members who are beneficiaries of said Agreement.

3.2 Requirement to Pay Dues

3.2.1 All faculty, whether Sessional, Teaching-Intensive Stream, CLTA, Continuing, Probationary or Tenured, and all academic staff, whether Contract, Probationary or Tenured, shall be required to pay dues to OCADFA, and shall sign a letter to OCAD U acknowledging their consent to the deduction of OCADFA dues at the commencement of their employment.

3.2.2 The payment of dues through payroll deduction is a condition of employment for all faculty and academic staff. Termination of employment is a specific penalty for the failure to authorize the payment of dues through payroll deduction. In a case of termination of employment arising from a failure to pay dues, neither a grievance nor dismissal arbitrator or arbitration board, nor a Peer Review Appeal Committee, has the authority to order reinstatement once it has been established that the faculty or academic staff member refused to authorize dues.

3.2.3 OCAD U shall, once in each month during the life of this Agreement, deduct from the salaries of all faculty and academic staff such fees,

monthly dues or assessments as may be authorized from time to time by OCADFA, and certified in writing to OCAD U.

3.2.4 OCAD U shall indicate the amount of OCADFA deductions on T-4 slips for faculty and academic staff.

3.2.5 The employer shall remit the amounts deducted to OCADFA no later than fifteen (15) days after the deductions have been made, and shall inform OCADFA monthly of the names of employees from whose salaries deductions have been made, and the amounts so deducted from each employee's salary.

3.3 Membership Not Compulsory

3.3.1 All faculty and academic staff shall be free to be members of OCADFA or not to be members of OCADFA.

3.3.2 The Parties agree that no faculty or academic staff member shall be discriminated against by OCAD U or by OCADFA because of her/his choice to be or not to be a member of OCADFA.

3.3.3 Faculty and academic staff who wish not to become members of OCADFA, or who wish to discontinue their membership in OCADFA, must indicate this in writing to the President of OCADFA, with a copy to the Executive Assistant of OCADFA. It is understood that in the absence of such written notification having been received by OCADFA, all faculty and academic

staff shall be considered members of OCADFA. It is also understood that faculty and academic staff who choose not to be members shall in all cases continue to pay dues.

3.3.4 Faculty or academic staff who have chosen not to belong to OCADFA may join or rejoin at any time by indicating this in writing to the President of OCADFA, with a copy to the Executive Assistant of OCADFA. The faculty or academic staff member shall be re-instated as a member of OCADFA as soon as practicable after said written notification has been received by OCADFA.

3.4 Memorandum of Agreement

3.4.1 The University agrees to provide a copy of this Agreement and any subsequent amendments to all new faculty and academic staff at the time of hire, and to provide any subsequent amendments in a timely manner not exceeding 60 calendar days.

3.5 Information Sharing Between OCAD U and OCADFA

3.5.1 The Employer shall provide to the offices of OCADFA the following information regarding each member of the bargaining unit: name, home faculty/unit, status, rank, salary level, percentage of workload and salary. The salary-related information of individuals shall not be distributed or publicized by those in OCADFA who review it. Such information shall normally be provided no later than November 1st of each academic year.

ARTICLE 4 DEFINITIONS APPLYING TO ALL FACULTY AND ACADEMIC STAFF

4.1 Senate

4.1.1 “Senate” is the Senate of the University as defined in the *Ontario College of Art & Design Act, 2002*.

4.2 Board of Governors

4.2.1 “Board of Governors” is the Board of Governors of the University as defined in the *Ontario College of Art & Design Act, 2002*.

4.3 Conflict of Interest and Bias

4.3.1 For faculty and academic staff who serve on Committees with Faculty Representation, a “Conflict of Interest” and/or “Bias” exists when a current or former relationship with a candidate or some other matter could improperly influence his/her judgment, and/or could reasonably create a perception of Bias.

4.3.2 Faculty and academic staff who serve on Committees with Faculty Representation must declare to the Chair of the Committee a Conflict of Interest and/or Bias as soon as it arises.

4.3.3 Faculty and academic staff who are under consideration by Committees with Faculty Representation have the right to declare to the Chair of the Committee a belief that a member of the Committee has a Conflict of

Interest and/or Bias. A declaration of Conflict of Interest and/or Bias by a faculty or academic staff member under consideration by Committees with Faculty Representation must be made as soon as it is known, and should be made in advance of the relevant Committee meeting (if notified in advance of the composition of the Committee) or at the outset of the meeting, unless the Conflict of Interest and/or Bias was not reasonably discoverable at that time.

4.3.4 The Chair of the Committee with Faculty Representation must determine if:

4.3.4.1 The Conflict of Interest and/or Bias, or perceived Conflict of Interest and/or Bias, requires disclosure to the full Committee;

4.3.4.2 The faculty or academic staff member with the Conflict of Interest and/or Bias, or perceived Conflict of Interest and/or Bias, may continue to serve on the Committee; and

4.3.4.3 Any special conditions are required to govern the faculty or academic staff member's continued participation on the Committee, e.g. absencing her/himself from specific discussion or decision processes.

4.4 Curricular Necessity

4.4.1 "Curricular Necessity" is a situation whereby major curricular change, such as the closing of an academic Program, is required in order for the University to meet its educational goals. Such decisions must be made in

consultation with relevant faculty and academic staff, and must be approved by the appropriate University committees, including the Board of Governors.

4.5 Financial Exigency

4.5.1 “Financial Exigency” is a demonstrated, bona fide financial crisis which, by its gravity and the likelihood of its long-term continuation, threatens the fulfillment of the University’s educational mandate, and which can be alleviated only by the layoff of faculty and/or academic staff.

4.6 Final Decision

4.6.1 A “Final Decision” is a decision which gives rise to no difference between the Parties arising from the interpretation, application, administration, or alleged violation of this Agreement except only to the extent that the decision is alleged to be discriminatory, arbitrary, made in bad faith, or tainted by procedural unfairness which has affected the outcome, and to that extent the decision is subject to Article 13 (i.e. the Grievance Process).

4.7 Panel of Arbitrators

4.7.1 A “Panel of Arbitrators” is mutually agreed to by the Parties and listed in **Appendix E** to this Agreement. Where the terms of this Agreement provide for the selection of an arbitrator from the Panel, the Parties will attempt to agree to one of the arbitrators listed on the Panel. Failing

agreement, a member of the Panel will be chosen randomly. If that arbitrator is not available to hear the matter within a reasonable timeframe, the Parties shall re-select.

4.8 Pension Committee

4.9 Quorum

4.9.1 For Committees with Faculty Representation, “Quorum” is 50% plus 1 of the total Committee membership, and includes the Chair (or designate) and a minimum of 50% of faculty and academic staff representatives on that Committee.

4.10 Term and Academic Year

4.10.1 Each “Academic Year” consists of three 17-week “Terms” of study: Fall (September - December); Winter (January - April); and Summer (May - August).

4.10.2 Academic Employment Year

The employment year shall normally be from July 1st to the subsequent June 30th, and shall include Teaching & Teaching-Related Responsibilities and Professional Practice/Research (for those who hold such responsibilities), and Service, as well as vacation, payment for which is included in the annual salary. Employees with appointments of less than twelve months shall receive a portion of the annual salary pro-rated accordingly. Those employees teaching courses that fall in two academic years shall have their pay calculated in accordance with the appropriate rates in effect as of the date their courses commence.

4.10.3 Faculty and academic staff are entitled to the following paid holidays in accordance with the *Employment Standards Act*:

4.10.4 None of the above holidays shall be deemed as part of the employee's vacation days.

4.10.5 If any of the above days falls on a Saturday or Sunday, the previous Friday or following Monday shall be deemed by the President or designate as the holiday.

4.11 WHMIS

4.11.1 The Workplace Hazardous Materials Information System ("WHMIS") is a government-mandated "Right-To-Know" program, which requires employers to have all dangerous materials in the workplace labeled, to supply Material Safety Data Sheets, and to train workers on how-to use those materials and obtain additional information on them.

ARTICLE 5 ENDORSEMENT OF AUCC STATEMENT ON ACADEMIC FREEDOM
AND INSTITUTIONAL AUTONOMY

5.1 Endorsement

5.1.1 The Parties endorse the “Statement on Academic Freedom and Institutional Autonomy”, as adopted by the Association of Universities and Colleges of Canada (“AUCC”) on May 5, 1988, and is attached to this Agreement as **Appendix A**.

5.1.2 The Parties shall uphold and protect the principles of academic freedom.

5.1.3 Academic freedom is essential to the teaching function of the University, as well as to the creative and scholarly pursuits of the faculty, academic staff, other staff, and students. This includes a commitment to unfettered intellectual and aesthetic inquiry and judgment and to the provision of those textual, audio, and visual resources necessary to free inquiry and practice. Academic freedom includes: the right of responsible teaching from a subjective point of view; the right to freedom of creative practice or expression; and the right of dialogue, discussion, debate and criticism in the exercise of professional responsibilities including those referred to herein.

ARTICLE 6 RIGHTS AND RESPONSIBILITIES - FACULTY AND ACADEMIC STAFF

6.1 Responsibilities to Students

6.1.1 The Parties agree that faculty and academic staff shall deal fairly and ethically with students, make themselves accessible to students for academic and creative consultation, honour commitments to students (including, but not limited to, adhering to class schedules or posted office hours), and provide students with course outlines and other relevant information to assist them in the successful pursuit of their studies. "Collegial Behaviour" includes treating others with dignity, respect, fairness, equality and integrity, and maintaining confidentiality when required. Faculty and

academic staff shall not criticize colleagues to students, encourage or solicit criticisms of colleagues from students, or discuss professional or personal grievances with students.

ARTICLE 7 RIGHTS AND RESPONSIBILITIES - MANAGEMENT

7.1 Management Rights

7.1.1 OCADFA recognizes that it is the exclusive function of OCAD U, through its officers and Board of Governors, to manage the University including, but without restricting the generality of the foregoing:

7.1.2.2 Persistent failure to discharge professional responsibilities; and/or

7.1.2.3 Abandonment of duties.

7.2 Consistency with the Memorandum of Agreement

7.2.1 The Parties agree that the Management Rights referred to herein shall be exercised fairly and reasonably, and in a manner consistent with the provisions of this Agreement.

The definitions and defences set out in the *Ontario Human Rights Code* are deemed to apply. There shall be no discrimination by either Party against a member of faculty or Academic Staff for participation or non-participation in the lawful activities of OCADFA.

8.1.2 The Parties agree that the resolution of any grievance pursuant to this provision, whether by agreement or by arbitration, shall be deemed a settlement between the Parties for purposes of any proceedings which may be brought pursuant to the *Ontario Human Rights Code*.

8.1.3 The Parties agree that the implementation or continuation of an Employment Equity program which is not inconsistent with any other provisions of this Agreement shall be deemed not to be a violation of this Article.

ARTICLE 9 EMPLOYMENT AND EDUCATIONAL EQUITY

9.1 Commitment to Employment and Educational Equity

9.1.1 The Parties are committed to addressing issues of Employment and Educational Equity, in order to eradicate barriers which prevent women, visible minorities, aboriginal peoples, and people with disabilities from participating fully as OCAD U students or employees.

9.1.2 The Parties agree that an Employment and Educational Equity Task Force shall be established within the term of the Memorandum of Agreement to review the progress made to date with Equity 2000 Phases I and II, and to develop recommendations to further advance issues of equity. In fulfilling its mandate, the Task Force shall consult widely with the University community.

9.1.3 The Task Force shall consist of:

9.1.3.1 Members of the under-represented groups as outlined in Article 9.1.1;

10.1 Mandate

10.1.1 The Parties are committed to ongoing, regular communication regarding the administration of this Agreement, exploration of issues regarding the delivery of curriculum, and other such matters of interest or concern to either Party, and therefore agree to the creation and ongoing operation of a “Joint Committee” to deal with such matters.

10.2 Operation

10.2.1 The Joint Committee consists of the following:

10.2.1.1 6 members (3 from OCAD U and 3 from OCADFA);

10.2.1.2 Chair of each Party’s Negotiation Team, and the Director, Human Resources are ex officio members of the Joint Committee; and

10.2.1.3 3 additional members (1 elected or appointed by OCAD U and 2 elected or appointed by OCADFA), with annual terms commencing in January of each year.

10.2.2 With the exception of ex officio members, no member may serve longer than 3 consecutive years.

10.2.3 The Committee may, by mutual consent of its members, invite guests to meetings to present information or discuss particular issues.

- 10.2.4 The Joint Committee normally meets monthly, but may meet more or less frequently by mutual agreement. Time, date and locations of meetings are also by mutual agreement.
- 10.2.5 Quorum consists of no fewer than 3 representatives from each Party.
- 10.2.6 Committee members may submit proposed agenda items to the respective Chair of their Negotiations Team.
- 10.2.7 Meetings are chaired by the Chairs of the respective Negotiations Teams on an alternating basis. Minutes are taken with only basic principles and motions recorded. Minutes are subject to approval by the Chairs of each Negotiations Team, or designates, prior to distribution and/or posting.
- 10.2.8 Minutes are normally public information, but the Committee reserves the right to declare certain items or meetings confidential, with the minutes thereof (if any) available to Committee members only.
- 10.2.9 Wherever possible, decisions are achieved by consensus rather than by voting.
- 10.2.10 While the Committee's process may culminate in agreements being reached between the Parties, the Committee does not have the power to make decisions binding on the Parties in the absence of negotiated agreement between the University and OCADFA.

ARTICLE 11 NEGOTIATIONS PROCESS AND DURATION OF AGREEMENT

11.1 Duration

11.1.1 This Agreement is in effect from July 1, 2013 to June 30, 2016, and shall continue to be in effect from year to year thereafter, until replaced in accordance with this Article, and/or as modified by mutual consent of the Parties.

12.2.2 The expenses of the Negotiations Arbitrator are borne equally by the Parties.

12.2.3 With the Parties’ consent, the Negotiations Arbitrator may attempt to assist the Parties to reach a mutually acceptable renewal Agreement through Mediation.

12.2.4 If either Party does not consent to Mediation, or if the Parties fail to reach a mutually acceptable renewal Agreement through Mediation, the

There shall be no discrimination or reprisal against any person who elects to use this process.

13.2 OCADFA Representation

13.2.1 A representative of OCADFA may be present at all stages of the Complaint, Grievance, Grievance Arbitration and Dismissal Arbitration Process, and has the right to represent the Complainant or Grievor at each and every stage if the Complainant or Grievor so desires.

13.3.1 Any Complaint may be presented and discussed informally between a member of faculty or Academic Staff and the appropriate Dean(s) of Faculty, Associate Dean(s), or Manager(s).

13.4 Stage Two: Grievance

13.4.1 A “Grievance” is defined as any difference arising out of the interpretation, application, administration, or alleged violation of this Agreement.

13.4.2 If OCADFA, or a member of faculty or Academic Staff, decides to lodge a Grievance, such Grievance must be delivered in writing to the Vice-President, Academic, or designate, within 21 calendar days of the date of the act or omission giving rise thereto, or of the date on which the Grievor first knew, or ought reasonably to have known, of such act or omission.

13.6.2 In the event of an alleged dismissal without just cause, the dismissed member of faculty or Academic Staff wishing to contest such dismissal notifies the Vice-President, Academic, or designate, in writing within 14 calendar days of the receipt of the notice of dismissal. Within 14 calendar days of such notification, a representative of the University and the dismissed employee, or her/his designate, meet to appoint a “Dismissal Arbitration Board”, comprised of three members not associated with the

15.3.2 All Teaching-Intensive Stream faculty shall hold the Rank of Lecturer.

15.3.3 CLTA, Continuing, Probationary and Tenured faculty shall hold one of the following Ranks:

15.3.3.1 Lecturer;

ARTICLE 16 DEFINITION OF FACULTY APPOINTMENTS

16.1 Sessional Appointment

16.1.1 "Sessional" faculty are hired annually on a per-course basis, with commensurate Teaching & Teaching-Related Duties, but no requirements regarding Professional Practice/Research or Service.

16.1.2 Sessional faculty:

16.1.2.1 Must hold the Rank of Instructor;

16.1.2.2 Have a maximum course assignment of 5 Studio half-credit courses or 3 Liberal Arts & Sciences half-credit courses per

Academic Year, with exceptions requiring the approval of the Dean of Faculty;

16.1.2.3 Have no job security beyond the current contract;

16.1.2.4 Are subject to Performance Review prior to any renewal of contract.

16.1.3 In each Academic Year, a maximum of 30% of the University's credit curriculum, as defined by the total number of courses offered, is normally taught by Sessional faculty, except in 2007/08 when the maximum shall be 40% and 2008/09 when the maximum shall be 35%. The University shall present to the Joint Committee by November 1st of each Academic Year a report on the Sessional maximum. In the event that this ceiling is exceeded, the University shall, by April 1st of that Academic Year, present to the Joint Committee plans to restore the balance the following Academic Year. The sessionals hired as a result of course load reductions in the 2008/09 and 2009/10 academic years are not to be counted towards the hiring cap on sessionals. For both the 2013/14 and 2014/15 Academic Years, the University's obligations under this article are suspended.

16.1.4 Sessional faculty are intended to augment, rather than replace, Tenured faculty. While Sessional faculty teach the same or similar courses as Continuing and Tenured faculty, with accompanying expectations concerning Teaching and Teaching-Related Duties, there are no requirements regarding Professional Practice/Research or Service. This reduced scope of responsibilities is reflected in lower salary levels.

Because Sessional faculty are temporary employees with whom the University does not have a long-term employer/employee relationship, they are hired on the basis of fixed-term contracts, and receive additional pay in lieu of benefits. The 30% ceiling on Sessional Teaching is intended to ensure that Tenured faculty employment opportunities are not eroded. The maximum renewal period is intended to ensure the ongoing creation of employment opportunities for new Sessional faculty, and to ensure that, over time, increased expectations are not made of temporary employees.

16.1.5 Employment may be terminated through non-renewal of contract, resignation (with appropriate notice), retirement, dismissal for just cause, cancellation or termination of contract in accordance with Article 23.3.9, and/or layoff for reason of Financial Exigency or Curricular Necessity.

16.1.6 Subject to the foregoing, once a person has taught five or more 0.5 courses on a sessional basis, he or she shall automatically be short-listed for consideration for any sessional course that the person taught when the course was last offered or for any sessional course that is closely related to a course he or she taught previously, whether or not the person is currently a sessional faculty member.

16.2 Teaching-Intensive Stream

16.2.1 “Teaching-Intensive Stream” faculty have neither Probationary nor Tenured status, but are hired on fixed-term contracts of three to five years (other

(renewable)

16.2.2.4 Are subject to Performance Review prior to any renewal of

16.3.4 CLTA faculty are intended to augment Tenured faculty and/or to replace Continuing and Tenured faculty who are on leave. CLTA faculty teach the same or similar courses as Continuing and Tenured faculty, with accompanying expectations concerning Teaching & Teaching-Related

Duties, but must also meet requirements regarding Professional Practice/Research and Service. This full range of responsibilities is reflected in the same salary levels as Tenured faculty. 16.4.3 In each Academic Year, the University’s total complement of Continuing faculty shall be a maximum of 15 Maximum-Load-Equivalent positions. Should this ceiling be exceeded in any Academic Year, the matter will be referred to the Joint Committee to explore and mutually agree on methods

of restoring this balance.

16.4.4 Continuing faculty:

16.4.4.1 May hold the Rank of Assistant Professor, Associate Professor or Professor;

16.4.4.2 Are Partial-Load, with a partial Workload from one course up to and including 50% of Maximum-Load;

16.4.4.3 Are hired on contracts of up to 5 years (renewable); and

16.4.4.4 Are subject to the same ongoing Performance Reviews as Tenured faculty and, in particular, prior to any renewal of contract.

16.4.5 Continuing faculty are intended to augment, rather than replace, Tenured faculty. Continuing faculty teach the same or similar courses as Tenured faculty, with accompanying expectations concerning Teaching and Teaching-Related Duties, but must also meet specific requirements regarding Professional Practice/Research and Service. This full range of responsibilities is reflected in the same salary levels as Tenured faculty. While not Tenured employees, Continuing faculty do have a long-term employee/employer relationship with the University and therefore receive the same paid vacation and access to benefits, pension, and Professional Development as Tenured faculty (all pro-rated for Partial-Load). The 15 Maximum-Load-Equivalent ceiling on Continuing faculty is intended to ensure that the bulk of the University's curriculum is delivered by a core of

Tenured faculty, who have made a strong professional commitment to the University as reflected in a Workload of 50% or more.

16.4.6 Employment may be terminated through non-renewal of contract, resignation (with appropriate notice), retirement, dismissal as a result of Performance Review, dismissal for just cause, or layoff for reason of Financial Exigency or Curricular Necessity.

and

16.5.2.4 Are subject to annual Performance Reviews, with a comprehensive Peer Review prior to awarding of Tenured status, such status not to be unreasonably withheld.

16.5.3 Employment may be terminated through resignation (with appropriate notice), retirement, dismissal as a result of Performance Review, dismissal for just cause, or layoff for reason of Financial Exigency or Curricular Necessity.

Prior to reappointment of Sessional appointments, student evaluations, course outlines, any other teaching materials, and any classroom visits conducted will be assessed to ensure adherence to standards and expectations with regard to Teaching & Teaching-Related Responsibilities.

24.3 Performance Reviews

24.3.1 Performance Reviews are conducted (as outlined in Articles 24.3.4 and 24.3.5) in order to review and assess overall performance, ensure adherence to standards and expectations with regard to Teaching &

Teaching-Related Responsibilities, Professional Practice/Research (except in the case of Teaching-Intensive Stream appointments) and Service, and to make recommendations to the Dean of Faculty regarding career progress and merit progress increments (as defined in Article 24.3.6).

24.3.5.2 2 faculty members elected by a quorum (=50% +1) of the total Tenured faculty members in the relevant Faculty or, in the event a quorum does not respond, two faculty members selected by the Dean of Faculty from the Faculty's tenured faculty members.

24.3.6 The Performance Review Committee shall recommend career and merit progress increments based on each faculty member's performance review,

which shall apply for the three academic years following the review:

	PERFORMANCE REVIEW OUTCOMES	CAREER/MERIT PROGRESS INCREMENTS (First Year Following Review)	CAREER/MERIT PROGRESS INCREMENTS (Second Year Following Review)	CAREER/MERIT PROGRESS INCREMENTS (Third Year Following Review)
CAREER PROGRESS	Meets basic expectations	0.5	0.5	0.5
	Fully meets expectations	1.0	1.0	1.0
MERIT PROGRESS	Exceeds expectations	1.5	1.5	1.5
	Significantly exceeds expectations	2.0	2.0	2.0

24.3.6.1 Career/Merit Progress Increments represent the average of the above four possible outcomes as applied to each of the three areas of Performance Review: Teaching and Teaching-Related Responsibilities, Professional Practice/Research (except in the case of Teaching-Intensive Stream appointments) and Service, pro-rated accordingly (as per Article 27.4) and rounded to the

nearest half step.

Example: A faculty member is assessed as follows:

Teaching	$1.0 \times 40\% = 0.40$
Practice/Research	$0.5 \times 40\% = 0.20$
Service	$2.0 \times 20\% = 0.40$
	1.00

Career/Merit Progress Increment for the 1st, 2nd and 3rd year following the review = 1.0

24.3.6.2 Career/Merit Progress Increments represent the number of step increases on the faculty salary pay scale.

24.3.7 In the event the Performance Review Committee finds a faculty member does not meet basic expectations, the Committee shall refer the matter to the Dean of Faculty for disciplinary action.

24.3.7.1 "Basic Expectations" shall include the following:

- Submitting all grades on time.

24.3.8 Faculty members who are at the ceiling of their rank are not entitled to Career Progress Increments except through application for promotion or, in the case of full professors, through application for a merit increment.

24.3.8.1 Merit increments for full professors are determined by the regular triennial review process. An assessment of 1.5 steps will result in a one merit step increase in the 1st, 2nd, and 3rd year following the review. An assessment of 2 steps will result in 2 merit step increases in the 1st, 2nd, and 3rd year following the review. An assessment of 0.5 or 1 steps will result in no merit step increases.

24.3.9 The recommendations resulting from all Performance Reviews shall be submitted to the University Performance Review Committee (comprising the Vice-President, Academic and the three Deans of Faculty) no later than April 1st for review and final approval. This Committee shall be responsible for maintaining consistent standards across the University.

24.3.10 All awarded Career/Merit Progress Increments shall be effective July 1st of

the Review Year.

24.3.11 The total number of steps awarded (Career/Merit Progress Increments) shall not exceed 1.2 times the number of faculty members eligible for career progress increments.

24.3.12 The results of the Performance Review shall normally be communicated to the faculty member in writing no later than May 1st of the review year and shall include an overall assessment of his/her strengths and/or recommendations for improvement.

24.3.13 A faculty member who disagrees with the Performance Review and/or its recommendations may discuss his/her concerns with the Associate Dean. In the event that a satisfactory resolution is not found, the faculty member may appeal the matter in writing to the Dean of Faculty, who will make a determination.

24.4 Peer Review

member fails to achieve Tenure as a result of Peer Review, his/her employment will continue only to the end of the following academic year at his/her current salary rate;

24.4.1.2 **Continuing and Tenured faculty:** For Continuing and Tenured faculty, a Peer Review is conducted to recommend promotion of Rank.

24.4.2 Probationary, Continuing and Tenured faculty will submit materials required for Peer Review which, in combination with previous Annual Reports and Performance Reviews, will be reviewed by the "Peer Review Committee". The Peer Review Committee consists of the following:

to the University, of whom three shall be selected by the Chair. Such referees must have sufficient subject expertise and knowledge of the candidate's achievements to make dispassionate and critically-informed judgments. Selected referees shall be asked to comment on the candidates' contribution in the area of professional practice/research, and shall be provided with the relevant sections of **Appendix B** to provide context in this regard.

24.4.4 The appropriate Dean of Faculty (or designate) will meet with each faculty member to discuss his/her Peer Review. The results of the Peer Review are communicated to the faculty member in writing following this meeting, including an overall assessment of his/her strengths and/or recommendations for improvement. In cases of Promotion of Rank, the candidate may choose to withdraw his/her application at this stage.

24.4.5 The Faculty Peer Review Committee shall submit its recommendations to the University Peer Review Committee, which consists of the Vice-President, Academic (Chair, voting), the Chair of Senate, and a faculty member of Senate normally holding the rank of Full Professor. The recommendations of the University Peer Review Committee shall then be subject to approval by the President and the Board of Governors.

24.4.6 A faculty member who disagrees with a Peer Review decision has recourse to the Peer Review Appeal process (as outlined in Article 24.5).

24.5 Peer Review Appeal

24.5.3 A “Peer Review Appeal Committee” consists of the following:

24.5.3.4 1 Tenured faculty member selected by the candidate.

24.5.4 The Chair will make every effort to convene a meeting of the Peer Review Appeal Committee within 30 calendar days of a receipt of a “Request for Peer Review Appeal” by Human Resources, and to communicate the Committee’s decision in writing to the faculty member in a timely manner.

24.5.5 A grievance challenging the decision of the Peer Review Appeal Committee gives rise to a difference between the Parties arising from the interpretation, application, administration, or alleged violation of this Agreement, only to the extent that:

24.5.5.1 A significant irregularity or unfairness has occurred in the procedure, or in the selection of committee members;

24.5.5.2 There has been Bias or motive on the part of a committee member;

24.5.5.3 There has been Bias or motive on the part of any person whose opinion may have materially influenced the decision; or

39.2.1 In the event that the University makes a preliminary determination that a layoff of Tenured faculty and/or Permanent academic staff is required as a result of Financial Exigency, the President (or designate) provides a

“Declaration of Financial Exigency”, which discloses the circumstances and reasons for such Declaration and the magnitude of the proposed layoff, to the Joint Committee.

39.2.2 The University provides all relevant information to the Joint Committee for purposes of review.

39.2.3 The Joint Committee reviews the circumstances and reasons for the Declaration of Financial Exigency to satisfy itself that:

39.2.3.1 A state of Financial Exigency does indeed exist;

39.2.3.6 The proposed layoff of Tenured faculty and/or Permanent academic staff will achieve the necessary financial goals, and to ascertain what the effects of the layoff are likely to be.

39.2.4 Following a thorough review of the Declaration of Financial Exigency by the Joint Committee for a period of up to 45 calendar days from the first meeting, a recommendation for the layoff of Tenured faculty and/or Permanent academic staff, including the circumstances and reasons for this recommendation and a summary of the Joint Committee's review, may be submitted by the President (or designate) to OCAD U's Board of Governors.

APPENDIX A

ASSOCIATION OF UNIVERSITY AND COLLEGES OF CANADA STATEMENT ON ACADEMIC FREEDOM AND INSTITUTIONAL AUTONOMY

Introduction

It is the essence of a university freely to pursue knowledge and understanding and to search for the reasons for things. This search implies that some of the reasons are unknown or uncertain and that opinions about them must be questioned. The right and the responsibility to raise such questions is the justification for academic freedom.

Constraints on academic freedom may arise both from inside and outside universities. It is a major responsibility of university governing bodies and senior officers of universities to maintain an environment in which academic freedom is realized. Threats to freedom of inquiry, independent judgment and free expression may come from administrators, students or faculty members, sometimes in groups, who attempt to require all members of a department or faculty to adhere to a particular version of orthodoxy. The reliance of universities on government financing and private donations may create pressures on the institutions and on their members to conform to short-sighted or ill-advised political, corporate or personal interpretations of what should be studied and how it should be studied. It is the obligation of faculty members in particular, supported by their administration, senate and boards, to ensure that these pressures do not unduly influence the intellectual work of the university. When conflicts arise because of such pressures, it is essential that a full airing and consideration of a broad range of viewpoints be possible.

It is essential that universities have the freedom to set their research and educational priorities. How the members of universities will teach and impart skills, conduct research and the pursuit of knowledge, and engage in fundamental criticism is best determined within the universities themselves. It is here that academic freedom, in its collective form of institutional autonomy, can ensure freedom of inquiry for individual faculty members and students. Historically there has been a struggle for university autonomy, arising from the conviction that a university can best serve the needs of society when it is free to do so according to the dictates of the intellectual enterprise itself.

Freedom of inquiry must have as its corollary a high degree of respect for evidence, impartial reasoning and honesty in reporting. It should include a willingness to make known the underlying assumptions and the results of the inquiry. All research and scholarship must be conducted ethically, with full consideration of the implications and in ways that respect fully human rights as defined by law.

In their relations with students, faculty members and others who work in the universities have an obligation to ensure that the students' human rights are respected and that they are encouraged to pursue their education according to the principles of academic freedom embodied in the university itself. In relation to the wider society, universities should accept the obligation to account for their expenditure of funds, through their boards and through public audits of their accounts.

Principles

1. The AUCC believes that the principles of academic freedom and institutional autonomy are essential to the fulfillment of the role of universities in the context of a democratic society.
2. The AUCC believes that academic freedom is essential to the fulfillment of the universities' primary mandate, the pursuit and dissemination of knowledge and understanding. Freedom of inquiry is fundamental to the search for truth and the advancement of knowledge. Freedom in teaching, justified by the special professional expertise of the faculty members, is fundamental to the protection of the rights of the teacher to teach and of the student to learn. Academic freedom is essential in order that society may have access to impartial expertise for knowledgeable comments on all issues studied in universities, including those surrounded by controversy.
3. The AUCC recognizes the obligation of universities to ensure the academic freedom of individual faculty members to conduct inquiries, to make judgments, and to express views without fear of retribution. The practice of tenure is one important means of meeting this obligation. In addition, decisions relative to appointments and the granting of tenure and promotion must be conducted according to principles of fairness and natural justice.
4. The AUCC recognizes that universities should ensure that students are treated according to principles of fairness and natural justice and are encouraged to

pursue their education according to the principle of academic freedom.

5. The AUCC recognizes the historically the universities of Canada have struggled to achieve institutional autonomy and must continue to do so. The Association affirms that this autonomy provides the best possible condition for the conduct of scholarship and higher education essential to a free society. As centres of free inquiry, universities have an obligation to society to resist outside intrusion into their planning and management and to insist that institutional autonomy be recognized by governments and others as the necessary pre-condition to their proper functioning. Institutional autonomy includes, inter-alia, the following powers and duties: to select and appoint faculty and staff; to select and admit and discipline students; to set and control curriculum; to establish organizational arrangements for the carrying out of academic work; to create programs and to direct resources to them; to certify completion of a program of study and grant degrees.

6. The AUCC recognizes that the academic freedom of individual members of universities and the institutional autonomy accorded to the institutions themselves involve the following major responsibilities to society: to conduct scholarship and research according to the highest possible standards to excellence so that society may benefit; within the constraints of the resources available to them, to ensure high quality education to as many academically qualified individuals as possible; to abide by the laws of society; and to account publicly through boards and audits for their expenditure of funds.

APPENDIX B

STANDARDS OF PERFORMANCE AND CRITERIA FOR PLACEMENT & PROMOTION OF ACADEMIC RANK

Preamble

OCAD University, along with other university-level institutions devoted to professional education in art and design, has been established to develop society's creative and intellectual resources and preserve its cultural traditions. The University has a responsibility to provide a vibrant and creative environment in which new knowledge, practices and ideas may evolve and flourish.

To this end, faculty are expected to be effective teachers, committed scholars and active practitioners who are dedicated to expanding their knowledge, professional practice and expertise, while making these endeavours accessible to the larger community. Faculty are also expected to make a significant contribution through Service to the University community.

This Appendix elaborates the context and process for fairly evaluating and recognizing faculty achievement and performance (cf. Article 24) and should be read in tandem with the Definitions of Academic Ranks (Article 17) and Faculty Responsibilities (Article 20).

Standards of Performance

Standards of Performance are used in the context of biennial **Performance Reviews** to evaluate, recognize and/or make recommendations concerning the Career Progress and Merit Progress of all non-sessional faculty, as well as to make recommendations concerning future re-appointment of CLTA faculty, continuation of Probationary (Tenure-Track) faculty, and reappointment of Continuing faculty.

In all cases, Standards of Performance take into account the following three general categories:

1. Teaching & Teaching-Related Responsibilities;
2. Professional Practice/Research; and
3. Service, primarily to the University but also to the field of Art & Design education and to the community at large.

While faculty are expected to exhibit accomplishment in all three categories, the specific weight assigned to each in terms of the devotion of time and effort, may vary from year to year, and from one faculty member to another.

Faculty are assessed against four possible levels of performance in each of the three general categories, pro-rated according to Article 27.4 and rounded to the nearest half step to determine the Career/Progress Increment for each of the next two years. Article 27.4 currently weights the three general categories as follows:

Teaching and Teaching-Related Activities:	40%
Practice/Research:	40%
Service:	20%

The Standards of Performance for each level are as follows:

Career Progress Levels I & II:

I. Meets Basic Expectations

A faculty member is expected minimally to perform the following tasks without intervention from the Faculty Offices:

- Submits Annual Report;
- Submits course outlines to Faculty Office at least two weeks prior to start of semester;
- Responsibly manages student contact hours, e.g., arriving on time for classes, being available to students during pre-arranged office hours (generally one hour per course per week), arranging for substitute or make-up class for any class hours missed;
- Reports any absences and make-up arrangements to the Faculty Office;
- Submits all grades on time.

If a faculty member performs these basic tasks but does NOT meet Level II expectations, he/she will receive a Career/Merit increment of 0.5 (equivalent of one-half step increase on the faculty salary scale)

II. Fully Meets Expectations (includes all of Level I plus the following):

- Demonstrates an ability to engage students in learning and to advance their knowledge in the subject area;
- Stays current and advances work within a discipline as recognized by peers;
- Maintains high standards of collegiality including participation in Faculty meetings and supporting University governance.

Faculty performing at Level II are fully meeting the expectations of the job. Their performance across the three key areas will average ca. 1.0, although in a given two-year evaluation period, their efforts may favour one area above the other two. For example, a faculty member may develop several innovative new courses and hence put more time and effort into teaching at the expense of his/her research/practice, while maintaining service by serving on Faculty- or University-wide committees or supporting specific Faculty- or University-wide events/initiatives:

Teaching = 1.5 x 40% =	0.60
Research/Practice = 0.5 x 40% =	0.20
Service = 1.0 x 20% =	0.20
	1.00
Career/Merit Increment =	1.0

Merit Progress: Levels III and IV

III. Exceeds Expectations (includes all of Level II, plus the following):

- Demonstrates teaching excellence by communicating enthusiasm for the subject and by inspiring students to excel; tangibly this may be demonstrated by, e.g., outstanding teaching evaluations and the development and/or updating of courses to reflect ground-breaking material and/or innovative delivery methods;
- Demonstrates significant achievement in practice and/or research, e.g., major publications, exhibitions, commissions, contracts;
- Demonstrates outstanding leadership/initiative in Faculty and University committees and/or events.

IV. Significantly Exceeds Expectations (includes all of Level III, plus the following):

- *Exceptional* professional achievement and peer recognition in teaching and/or practice/research, e.g., major teaching awards, exhibitions, publications, commissions, contracts.

Implementation of Standards of Performance in Performance Reviews

It may help, at least initially, to think about the levels of performance as similar to the following grading schema:

Level I: Meets Basic Expectations	Value = 0.5
Level II: Fully Meets Expectations	Value = 1.0

(This level captures the largest number of faculty and reflects a broad range of performance. It is important to point out the faculty member's strengths and weaknesses in each of the three general categories.)

- Level III: Exceeds Expectations Value = 1.5
- Level IV: Significantly Exceeds Expectations Value = 2.0

Worksheet for Tabulating Performance:

Tom Thomson	Faculty of Art	Teaching (40%)	Practice/Research (40%)	Service (20%)	Total (100%)
Performance		0.5	2.0	0.5	
Pro-rated value		0.2	0.8	0.1	1.1
Career/Merit Progress Increment					1.0

Sample Situations

1. What if a faculty member has a once in a lifetime success in the area of Practice/Research and performs at below Level II in Teaching and Service? Is it fair to grant a Career/Merit Progress Increment of only 1.0?

The committee should make a special recommendation, citing reasons for deviating from the formula. It may be one thing not to attend any meetings for a year or two, but to work on one's practice/research at the expense of basic teaching

requirements (at the expense of the students), is another.

2. What if the pro-rated value falls right between two levels, e.g., 1.25?

The committee has the prerogative to make a recommendation either up or down, depending on the specifics of the faculty member's performance. This would also be the case with pro-rated values that hover close to, but not quite, at the half-way point between levels, e.g., 1.21 or 0.68.

3. What if a faculty member suffered a major medical or other personal setback during the evaluation period and simply could not perform up to par? Should he/she be penalized for this?

There are going to be two-year periods in a faculty member's career when they could not, for whatever reason, perform up to par. We cannot reward him/her for a performance that was not there. If the faculty member was capable of working, then the minimum level of performance should have been fulfilled. Extenuating circumstances should be noted on the record so that a marginal performance review can be placed in the proper perspective should the faculty member choose to apply for promotion of academic rank at a later date.

Criteria for Placement and Promotion of Academic Rank

Generally, the distinction between the ranks of Lecturer, Assistant Professor, Associate Professor, and Professor (Full) is based on a combination of educational attainment; experience and effectiveness as a teacher; experience and effectiveness as a colleague; and breadth, depth, and consistency of contributions to knowledge.

Lecturer

Most CLTA appointments and any tenure-track appointment where the faculty member has not yet completed the terminal degree, and has limited teaching experience and publications/shows/practice would be ranked as a Lecturer. In the case of a tenure-track appointment, the criteria and timetable for promotion to Assistant Professor should be clearly articulated in the contract.

Assistant Professor

A tenure-track appointment where the faculty member has completed the requisite terminal degree (PhD, MFA, Mdes) or equivalent in professional accomplishment, would normally be ranked as an Assistant Professor. This is generally the entry-level rank for new faculty in a career appointment. The probationary period of five years should be viewed as time to gain experience as a teacher and colleague, as well as time to develop a research/practice agenda and establish a rhythm of publications/shows/commissions/contracts. Requests for an early tenure decision should normally be discouraged.

Associate Professor

Normally a faculty member who has successfully served his/her probationary period, i.e., reached a level of maturity and confidence as a teacher, built a network of relationships within the University through committee work and other collaborations, and extended his/her reputation as a researcher/scholar/practitioner beyond the regional to the national or even international arena, would be promoted to Associate Professor. Although promotion to this rank often goes hand-in-hand with a tenure decision, it should not be viewed as automatic.

Professor (Full)

Only a faculty member who has made a significant contribution to his/her field of research/practice or to art and design education can expect to be promoted to the rank of Professor. He/she will have a solid national or international reputation, developed and nurtured over a period of at least eight to ten years in the profession, usually post-terminal degree, not least of all through the success of students, both undergraduate and graduate, who have benefited from his/her mentoring and tutelage.

The following descriptions elaborate the above and should replace the Faculty Responsibilities in Article 20:

Descriptions for each Rank (and Category)

(m) *Sponsor* means any third party not covered under this Policy, including but not limited to an individual, corporation, partnership, not-for-profit, charitable organization, association or post-secondary institution, who provides support to the research and/or creative activities carried on by persons covered by this Policy, whether the support is provided in cash or in-kind.

B.INTRODUCTION

B.1 The status of an individual while he or she is engaged in the creation of a work shall be determinative with respect to the application of this Policy. For example, where an individual holds both an Academic Staff appointment and a Faculty Member designation, it is the “work assignment” that is assigned to the individual as part of each appointment that determines which clauses of this Policy apply.

B.2 As a publicly-assisted university, OCAD University shall have the right to report on the publications, exhibitions, shows, patents, licenses and other forms of research, scholarly and creative activity of its employees where such activities are conducted as part of their OCAD University responsibilities.

C. ACADEMIC STAFF

C.1 Intellectual Property developed and/or created by Academic Staff as work for hire in the course of their employment by OCAD University shall be the exclusive property of OCAD University from the moment of the creation thereof and OCAD University shall have the unfettered rights thereto. An Academic Staff member is encouraged to seek clarification from his/her supervisor if there is a question about the application of this paragraph to a particular activity.

C.2 Academic Staff shall disclose fully and immediately all Intellectual Property developed in the course of their employment to their Senior Manager, Dean or the Vice-President Research and Graduate Studies.

C.3 OCAD University may, as owner of Intellectual Property as described in paragraph C.1, freely license such Intellectual Property to third parties. OCAD University will first offer the right to license such Intellectual Property to the Academic Staff member who created the Intellectual Property. If a license agreement is not reached between OCAD University and such Academic Staff member, OCAD University shall nonetheless offer a first right of refusal to such member prior to entering a license agreement with a third party. Such license agreement shall, at a minimum, always be subject to OCAD University retaining a royalty free, non-exclusive, non-transferable right to use such Intellectual Property for teaching, research and administrative purposes.

C.4 In the event that OCAD University elects to license the Intellectual Property to any third parties, OCAD University shall share with the Academic Staff, in proportionate shares equivalent to the Contributions of the Academic Staff to the work, all gross revenue derived from the exploitation thereof after the deduction of all Costs as defined in this Policy, but in any event such share to be payable to OCAD University shall not exceed 75% of the net revenues. OCAD University shall report to the Academic Staff in writing on a semi-annual basis all gross revenues derived from the exploitation of the Intellectual Property, together with all Costs deducted therefrom and the respective sums payable to OCAD University and the Academic Staff.

D. FACULTY MEMBERS

D.1 A Faculty Member shall not be obliged to engage in the commercial exploitation of professional or scholarly work or to provide commercial justification for it, except as agreed in any grant application, award or contract, or as set out in this Policy.

D.2 Faculty Members are free and encouraged to publish, or use other means of distribution and exhibition to disseminate, the results and proceeds of the teaching or research conducted at OCAD University or his or her Professional Practice/Research.

D.3 The ownership of all Intellectual Property in works created by a Faculty Member shall belong to the Faculty Member responsible for the creation of such work, in proportion to his or her Contributions to the work, except as provided by this Policy.

D.4 Since the dissemination of knowledge is one of the primary functions of OCAD University, the dissemination of the results and proceeds of teaching or Professional Practice/Research should be such that the results may be freely published or otherwise made available to the public. Where a Sponsor wishes to delay publication of work produced under a contract with the Sponsor, such publication delay shall not normally be longer than three (3) months from the date of the submission of the final work to the Sponsor, unless otherwise agreed in writing between OCAD University, the Sponsor and the Faculty Member.

D.5 OCAD University may enter into agreements to subcontract the services of a Faculty Member to Sponsors, with the consent of the Faculty Member. Prior to granting such consent, a Faculty Member shall have the opportunity to consult with the OCAD University Faculty Association. In such agreements, OCAD University will advise Sponsors of the principles outlined in the Preamble and make best efforts to secure to the Faculty Member whose services are subcontracted all the rights, privileges and benefits accorded to Faculty Members in this Policy. If OCAD University makes an agreement that fails to secure the said rights, privileges and benefits to a Faculty Member as set out in this Policy, the Faculty Member shall have the right to choose not to participate. In such circumstances, OCAD University shall be free to contract with alternate individuals to provide such services to the third party. Faculty Members are encouraged to seek the advice of OCADFA prior to entering into any agreement with OCAD University and a Sponsor.

D.6 A Faculty Member will acknowledge his/her affiliation with OCAD University on scholarly and research publications, juried exhibitions and shows, trademarks, patents, or other forms of research, scholarly and creative dissemination of works whenever OCAD University Resources, Ordinary Support or Extraordinary Support was used by the Faculty Member in the creation thereof. A Faculty Member is not permitted to imply that OCAD University approves, promotes or endorses works produced as part of the Professional Practice/Research of the Faculty Member without the prior written agreement of OCAD University.

E. COPYRIGHT AND RELATED INTELLECTUAL PROPERTY RIGHTS – FACULTY MEMBERS

E.1 Paragraphs E.1 to E.12 apply to Faculty Members in respect of: (i) all copyright protected works as described in paragraphs E.2 and E.3, as well as (ii) all works giving rise to Intellectual Property as defined in this Policy and listed in paragraph E.3 that are not covered by the Copyright Act, paragraph F or registered or registrable under patent or industrial design legislation.

E.2 Copyright protection applies to all original pedagogical, scholarly, scientific, literary, dramatic, musical, artistic, designed and recorded works in any fixed medium or material form, provided such works meet the criteria set out under the Copyright Act of Canada, as amended from time to time, for copyright protection to subsist.

E.3 Subject to the requirement to meet the criteria as set out in paragraphs E.1 and E.2 above, for the purposes of this Policy, original works may include but are not limited to: websites, books, texts, articles, monographs, glossaries, bibliographies, cartographic materials, modular posters, study guides, laboratory manuals, correspondence course packages, interactive textbooks, course work delivered on the Internet, including distance education, multimedia instructional packages, syllabi, tests and work papers, lectures, musical and/or dramatic compositions, choreographic works, performers' performances, unpublished scripts, films, filmstrips, charts, transparencies, other visual aids, video and audio tapes and cassettes, computer programs, live video and audio broadcasts, programmed instructional materials, drawings, paintings, sculptures, photographs, communication design applications (including digital and web), interactive

design, works of architectural, landscape artistic or environmental design including plans and drawings, computer software, tangible research property, research data and databases or other products of research and discovery and other works.

E.4 No Faculty Member shall claim any Intellectual Property as described at paragraphs E.1 - E.3 in any assessment, grading, report, or correspondence produced pursuant to her/his normal administrative duties within OCAD University.

E.5 No Faculty Member shall claim Intellectual Property as described at paragraphs E.1 - E.3 in any work provided by OCAD University to the Faculty Member to assist him/her in carrying out his/her duties, even if such work is modified by the Faculty Member for such purposes or claim copyright in any work produced and designed to assist in the day-to-day administration, operation and/or management of OCAD University's affairs.

E.6 Where copyright or other Intellectual Property as described at paragraphs E.1-E.3, other than the rights covered by paragraph F, has been assigned to it by a Faculty Member, OCAD University shall give written notice to the Faculty Member who assigned such intellectual property right to OCAD University, of any agreements OCAD University enters into with third parties assigning such rights or any licenses related thereto.

E.7 Subject to paragraph E.4, all Intellectual Property described at paragraphs E.1 – E.3 in any works created by a Faculty Member who created the work using the Ordinary Support of OCAD University shall be deemed to vest exclusively in the Faculty Member, even if it was created solely on OCAD University's time and with OCAD University's facilities and resources, except in cases of works where there is a contract to the

contrary between the Faculty Member and OCAD University.

E.8 When a Faculty Member is contracted by OCAD University for the express purpose of creating or producing specific works that may give rise to Intellectual Property, there shall be a written agreement between OCAD University and the Faculty Member which shall, at minimum, address the following matters:

- (i) Definition of the works(s) to be produced;
- (ii) Scheduling and funding of the project;
- (iii) Ownership and use of the works(s), including ownership of Intellectual Property described at paragraphs E.1 – E.3 above and rights in the master copy of all contracted works;
- (iv) Distribution, leasing and/or licensing of the use of the works(s), including the rights of the Faculty Member to use the work if the Faculty Member has not retained ownership;
- (v) Rights of revision, if any; and
- (vi) Definition, distribution and timing of royalty and other payments, if applicable.

E.9 Unless the written agreement between the Faculty Member and OCAD University provides otherwise:

- (i) The Faculty Member shall continue to be entitled to use works he or she has contracted for under paragraph E.8 in an unrestricted fashion for internal OCAD University purposes in the course of his or her employment, including teaching a course on the same subject matter, as well as for articles, conference presentations, textbooks

and other derivative creations unless such entitlement or a portion thereof has been expressly waived as a condition of the commissioned work agreement or sale provided OCAD University is credited as the owner thereof. Such a sale, license or lease does not preclude a Faculty Member from requiring that the work not be associated with the Faculty Member, if that is the wish of the Faculty Member, and should the Faculty Member wish, that the Faculty Member no longer be associated with the work if the Faculty Member originally chose to be associated with it, provided the Faculty Member has not previously waived his or her Moral Rights to require same. Moreover, nothing in this provision precludes the Faculty Member from negotiating with OCAD University the waiver of any Moral Rights associated with the work;

(ii) Notwithstanding the preceding paragraph, there shall be no waiver of the Faculty Member's right to the use of distributed learning materials her or she has contracted for under paragraph E.8 in an unrestricted fashion for internal OCAD University purposes in the course of his or her employment, including teaching a course on the same subject matter, as well as for articles, conference presentations, textbooks and other derivative creations; and

(iii) The Faculty Member who created the work shall have the first right to participate in the revisions and updating of the commissioned work, normally at the end of five years, under a separate contract for services. In the event that the Faculty Member does not exercise such right, the OCAD University shall be free to contract with third parties to revise and update the commissioned work and the Faculty Member shall waive Moral Rights in the work in order to permit such revisions and updates. In such case, the Faculty Member shall have no rights with respect to the revised content.

E.10 Where OCAD University contracts with a Faculty Member to create a work as described at paragraph E.8, and that contract provides that OCAD University retains the right to distribute, sell, lease or license such work to third parties for a fee or at no cost, in the event that OCAD University elects to distribute such work for a fee, then OCAD University's share under such a contract shall not exceed 75% of the net revenues earned by OCAD University from the exploitation thereof after the deduction of all Costs as defined in this Policy. OCAD University shall report to the Faculty Member in writing on a semi-annual basis all gross revenues derived from the exploitation of the commissioned work, together with all Costs deducted therefrom and the respective sums payable to OCAD University and the Faculty Member and shall pay out to the Faculty Member her/his share of royalties and net revenues within one month of each report.

E.11 An agreement between a Faculty Member and OCAD University for OCAD University to provide Extraordinary Support shall be in writing, shall be entered into in advance of the provision of such support, and shall describe the Extraordinary Support that OCAD University intends to provide or the Costs it expects to incur. OCAD University shall maintain a record of these Costs related to the Extraordinary Support for reporting to the Faculty Member. Any contract for Extraordinary Support shall specify who owns the Intellectual Property rights arising from the provision of such Extraordinary Support. Such contract shall also include an agreement with a Faculty Member who is the creator to participate in the royalties, if any. OCAD University's share of such royalties shall not normally exceed 50% of gross royalties or other proceeds earned by a Faculty Member. OCAD University's share of such royalties or other proceeds that are in excess of the Extraordinary Support shall be used to fund activities in support of

research scholarship and creative activity and commercialization of OCAD University developed Intellectual Property. Disbursements of these funds shall be reported to the University community annually, no later than October 1st for the immediately preceding academic year (1 July to 30 June).

E.12 A Faculty Member entering into collaborations with a person who is not subject to this Policy is encouraged to enter into a written agreement in advance regarding Intellectual Property.

F. PATENTS, TRADE-MARKS, and RELATED INTELLECTUAL PROPERTY – FACULTY MEMBERS

F.1 Paragraphs F.1 to F.12 apply to an invention, integrated circuit, trade-mark, industrial design and any result of intellectual or artistic ability by a Faculty Member registrable under applicable law, excluding any work to which Paragraph E attaches.

F.2 Any decision concerning whether to seek patent protection or other form of registration of Intellectual Property described at paragraph F.1 rests, initially, with the Faculty Member who is the creator or inventor, unless the invention or creation is the result of services provided under a written agreement the provisions of which dictate otherwise.

F.3 A Faculty Member shall make full and complete written disclosure to OCAD University of any discovery for which she/he wishes to file a patent application or an application for another form of registration of Intellectual Property described at paragraph F.1 and shall assert at that time whether it refers to an invention, improvement, design or

development made with the Ordinary Support or made with the Extraordinary Support of OCAD University. OCAD University shall affirm in writing to the Faculty Member whether any Extraordinary Support was provided to the development of the disclosed discovery, normally within thirty (30) days of the disclosure.

F.4 OCAD University shall describe in writing the time frame, normally within sixty (60) working days, within which OCAD University shall decide whether to participate in the application for a patent or for another form of registration of Intellectual Property described at paragraph F.1, and/or if issued, in its licensing and/or commercialization.

F.5 Except where the invention, improvement, design or development is made independently of OCAD University, OCAD University shall have the first right of refusal, but shall have no obligation to participate in any application for a patent or other form of registration of Intellectual Property described at paragraph F.1 or otherwise in the protection, licensing and commercialization of the invention, improvement, design or development, either solely or through a consortium. If OCAD University chooses to do so, OCAD University assumes the Costs of obtaining such protection, and will share net proceeds with the Faculty Member after the recouping of all Costs of protection, licensing and commercialization (normal requirements for assignment, cooperation, etc.). OCAD University shall be entitled to 40% of the net proceeds. OCAD University will report to the Faculty Member semi-annually and pay out shared royalties semi-annually (normally January 15 and July 15).

F.6 If OCAD University chooses not to participate in the application for registration, protection licensing and/or commercialization of the discovery, a Faculty Member may, at

his/her sole discretion, make his/her own arrangements for an application for patent or other form of registration of Intellectual Property described at paragraph F.1, and for the commercial exploitation of any invention, improvement, design or development so patented, at his/her sole expense. In such case, a Faculty Member shall enter into an agreement with OCAD University which agreement shall provide that where OCAD University has provided Extraordinary Support, OCAD University shall recover those costs by taking not more than 50% of the gross revenues in each year until such time as OCAD University has recovered its Extraordinary Support. Thereafter, OCAD University shall receive 25% of gross revenues. Where OCAD University has provided Ordinary Support, OCAD University shall be entitled to 10% of the gross revenues.

F.7 For the purpose of paragraph F.3 above, a Faculty Member shall disclose any invention, improvement, design or development to the Vice-President, Research & Graduate Studies, and her/his desire to apply for registration, protection, license and/or commercialize same. Within thirty (30) working days of the receipt of such a full and complete disclosure, the Vice-President, Research & Graduate Studies, or his/her designate, shall inform the Faculty Member whether OCAD University shall choose to participate in the application for a patent or other form of registration of Intellectual Property described at paragraph F.1 or otherwise in the protection, licensing and/or commercialization of the Intellectual Property, identify the time frame and develop a schedule to finalize terms and conditions with the Faculty Member or his/her designate.

F.8 A Faculty Member has the right to withdraw from his/her agreement with OCAD University where OCAD University has failed to bring appropriate skill and effort to bear on the exploitation over a reasonable period of time to allow for the proper disclosure,

technical assessment, protection, and negotiation of a license or other agreement, as agreed in writing between the Faculty Member and OCAD University. In such a case a Faculty Member may require all rights in the Intellectual Property described at paragraph F.1 to be reassigned to himself/herself and where that occurs, he/she shall reimburse OCAD University for the direct costs incurred to protect and license the Intellectual Property. For clarity, the Faculty Member shall retain Intellectual Property rights as described in paragraph D.3 above.

F.9 OCAD University has the right to withdraw from its agreement with a Faculty Member where the Faculty Member has failed to provide OCAD University with full, complete and timely disclosure of the Intellectual Property described at paragraph F.1 as required to properly evaluate the Intellectual Property against the criteria for patent protection or other form of registration and/or to enter into licensing or other agreements to facilitate commercialize the Intellectual Property in which case paragraph F.6 shall apply.

F.10 OCAD University shall be deemed to have, and a Faculty Member shall be deemed to have granted to OCAD University, a nonexclusive, royalty-free, irrevocable and non-transferable, noncommercializable license to use solely for OCAD University internal use any patented or otherwise registered Intellectual Property described at paragraph F.1 when such was made, discovered or developed using OCAD University Resources, Ordinary Support or Extraordinary Support.

F.11 Any net revenue that OCAD University may receive as a result of the application of this Policy shall be dedicated to research and other forms of scholarly activity and OCAD University shall report annually to the OCAD University community on the use of all net

revenue for the support of research, scholarship and creative activity.
